When we found out we won  
"Best Hamburger," we felt proud.  
We felt honored.  
We felt like making a correction.

At Steak 'n Shake, we're Famous For Steakburgers. This may seem like a small distinction, but the fact that we use real steak cuts has distinguished us from common hamburger places since 1934. We're glad Elgin can tell the difference.

Elgin - 290 South Randall Road
